Terms & Conditions

1. The College cannot guarantee that every student who applies will be approved for an internship
2. Internships may be denied for a number of reasons including but not limited to location, sponsors related to the student, or experiences lacking sufficient academic content.
3. Internship issues of stipend and expense reimbursement may vary by internship site.
4. The student's immediate family, or employees of the student's immediate family, may not serve as on-site internship supervisors. Faculty members may not serve as both Faculty Advisor and Site Supervisor for the same internship.
5. The academic department chair will determine the suitability of an internship site or student for an internship experience.
6. Departments may append additional requirements to this form.
7. Interns in health-related fields may be billed for Clinical Affiliation Liability Insurance (currently \$50, subject to change).
8. Students enrolled in an approved SUNY Oneonta internship are liable for Oneonta tuition and fees.
9. A maximum of 16 credits, including student teaching credits, may be applied toward the undergraduate degree.
10. Credit is granted for successful completion of course requirements, fulfillment of course learning outcomes and a minimum of 40 hours of internship activity per credit.
11. Eligible students may register for a maximum of 15 credits of internship during the fall or spring terms; a maximum of 12 credits during the summer and a maximum of 4 credits may be earned during the winter term.
12. The SUNY Oneonta Internship Learning Agreement must be submitted for approval to the academic department concurrently with this Internship Registration form.

Starting and Ending Dates of Internship: Starting date _____ Ending date _____ (Must fall within the term.)

Expected date of graduation _____

State University of New York College at Oneonta Internship Learning Agreement

Internships at SUNY Oneonta include academic components enriched by learning opportunities outside the standard classroom setting. Student demonstration of acquired knowledge and skills is assessed by qualified faculty. For the organization that serves as the setting for the internship experience, internships offer an opportunity to contribute directly to the educational and developmental growth of participating students. This is a fillable PDF. Type all information.

B. Academic Component Description

Learning Outcomes as listed in the Internship Course syllabus (Attach syllabus if provided.)

	1) Show understanding of industry or organization customs, practices, and terminology. 2) Demonstrate professional skills that pertain directly to the internship experience.
	3) Demonstrate effective verbal and written communication skills. 4) Allocate time effectively.
	5) Demonstrate effective listening skills. 6) Participate well as a team member and build a strong professional network.
	7) Adapt effectively to changing conditions. 8) Demonstrate proper workplace attitudes.
	9) Demonstrate effective management of individual behavior. 10) Demonstrate ethical standards appropriate to the internship site.

Specific Site Internship Duties proposed by the student and the site supervisor and approved by the Faculty Internship Sponsor to meet course Learning Outcomes. 4 - 6 specific site duties are recommended. The faculty member designated to approve internships in the department from which one is seeking credit is the only person who can give initial approval of an internship for academic credit. Requests for increasing or decreasing internship credits must be approved by the appropriate academic department chair.
