

### Evaluation Sheet for Chancellor’s Award for Student Excellence

**Instructions:** Complete the table below, with scores of 1 (poor) to 5 (best) in each area of contribution. The SUNY Chancellor’s Award for Student Excellence acknowledges students’ outstanding achievements. Although there is no minimum GPA requirement, candidates are expected to have demonstrated exceptional academic performance. SUNY seeks nominations of students who have best demonstrated the integration of SUNY excellence within many aspects of their lives, which must include three of the following areas: Academics; Leadership; Diversity, Equity, Inclusion, & Justice; Campus involvement, Civics & Service; Research & Development; or Arts (creative or performing). SUNY will consider (a) longer-term accomplishments and (b) achievements impacting larger numbers of community members as more highly valued (i.e., scored) than other achievements.

Name	Rank	Academics	Leadership	Diversity, Equity, Inclusion & Justice	Campus involvement, Civics & Service	Research & Development	Arts (creative or performing)	Other / Notes
