Performance Evaluation Rubric – SP 2018

Student Name: _____

Level of Repertoire (designated by private lesson instructor): Elementary/Intermediate/Advanced

Instructor Name: _____

Note to instructor: This rubric shows student progress toward degree completion. Though many students will go beyond the minimum expectation for degree requirements, our program outcomes define performance expectations for BA Music as attaining excellent level in all areas in at least intermediate repertoire by the time they graduate, and that BA Music Industry majors should achieve at least satisfactory/good level in all areas in elementary/intermediate repertoire by the time they graduate.

	Excellent	Good	Satisfactory	Fair
Pitch/Intonation	Instrument well-tuned. Melodic and harmonic intonation without fault throughout the entire performance.	Instrument well-tuned. Melodic and harmonic intonation very good. Problems occur in extremely difficult passages, but are quickly corrected.	Instrument relatively well tuned. Intonation often good, but inconsistent. Difficult passages performed with partial success.	Instrument somewhat in tune. Melodic and harmonic intonation inconsistent. Difficult passages cause major intonational weaknesses. Intonation problems seldom corrected.
Rhythm/Tempo	Rhythmic accuracy and precision are exact. Tempo obviously under complete control.	Rhythmic accuracy and precision are excellent. Tempo under control most of the time. Faults infrequent and only occur in difficult passages.	Rhythmic accuracy and precision is good most of the time. Demonstration of good awareness of pulse and tempo, although occasional problems occur.	Basic rhythmic accuracy demonstrated in simple passage, although rapid and complex passages are weak. Tempo not always controlled.
Tone Quality	Excellent tone achieved throughout entire performance. Tone uniform and consistent and well controlled, despite dynamic and range extremes.	Excellent tone achieved most of the time. Faults and problems are infrequent. Minor problems quickly corrected. Range extremes cause some distortion.	Strong basic approach demonstrated. Harshness and distortion at upper volumes and registers. Fuzziness and/or lack of resonance at softer volumes.	Basic understanding of tonal quality concepts not yet developed. Volume and register extremes not well controlled, often harsh.
Technique (tonguing, diction, bowing, pedaling, fingering, sticking, etc.)	Excellent dexterity; excellent flexibility. Difficult passages performed without any noticeable stress. Demonstrates thorough knowledge of relevant techniques.	Excellent dexterity; flexibility quite good. Difficult passages performed with only minor flaws. Demonstrates excellent knowledge of relevant techniques.	Technical facility good most of the time. Problems and breakdowns occur during difficult passage. Correct technique demonstrated most of the time.	Technical facility fair. Faster, more complex passage force performer beyond ability. Good technique demonstrated some of the time.
Interpretation/Expression	Stylistically accurate and consistent throughout. Excellent, meaningful interpretation. Musical phrasing and nuance is obvious throughout the performance.	Stylistically accurate and consistent most of the time. Some passages lack stylistic interpretation, but does not detract from the performance. Musical phrasing and nuance is present most of the time.	Stylistic accuracy demonstrated some of the time. Stylistic interpretation demonstrated some of the time, but is often rigid or mechanical. Musical phrasing is basic (lacks nuance), but present most of the time.	Very little evidence of stylistic interpretation of musical passages. Style is undeveloped and inconsistent. Musical phrasing is mostly mechanical.
Stage Presence	Dress is highly professional and appropriate for a concert setting. Performer looks relaxed, smiles, and bows properly to the audience.
